

## Healthy Communities in PA Round Table

<https://planningpa.org/advocacy/healthy-communities-in-pa/> or search "Healthy Communities in PA"

### WHEN:

Tuesday, August 22, 2017

### WHO:

Pennsylvania Interagency Committee Healthy Equity Team  
 Healthy Communities in PA

### WHERE:

Pennsylvania Department of Transportation  
 Keystone Building  
 Hearing Room 1  
 400 North Street  
 Harrisburg PA 17102

### WHAT:

Join planning and health professionals from around Pennsylvania for a day long workshop to further healthy community design in Pennsylvania. The morning session will be a joint session with the Pennsylvania Interagency Health Equity Team, with the afternoon focusing on how the Healthy Communities in PA task force can help make the healthy choice the easy choice for all Pennsylvanians. Refreshments will be provided.

### WHO SHOULD ATTEND:

Anyone interested in promoting healthy community design in Pennsylvania! Attendees will include planners, health professionals, health advocates, community advocates, design professionals, educators, and others who wish to create healthy communities.

Register here: <https://planningpa.org/advocacy/healthy-communities-in-pa/healthy-communities-registration/>

### GETTING THERE:

400 North Street is located in downtown Harrisburg within ½ mile walking distance of the Amtrak and intercity bus stations. Several [Capital Area Transit](#) routes and [Rabbit Transit](#) express buses from York and Gettysburg stop at the Capitol Complex. [Bicycle parking](#) is available at 372 North St by the garage entrance. If driving, you can get directions from <http://dced.pa.gov/directions-and-parking/>. There is a parking garage located at the end of Forster and the 7th Street intersection – this is one block east of the building. Also, located several blocks away, is a parking garage at 5th and Market Street.

### AGENDA: *subject to change*

9:30-10:00	Coffee and Tea, while networking and visiting agency information tables
10:00-10:15	Welcome from PennDOT Deputy Secretary Toby Fauver and Department of Health Deputy Secretary Loren Robinson, MD
10:15-10:30	Healthy Communities in PA Introduction
10:30-12:00	Agency topic centered round tables
10:30-10:45	Agency representatives will discuss their agency's programs related to healthy community design
10:45-11:30	Healthy Communities in PA task force facilitator familiar with the agency or topic area will facilitate a discussion on the relation to healthy community design as it relates to the agency's focus and programs. This will be interactive with agency staff participating
11:30-12:00	Agency round table report out
12:00-12:45	Lunch, while networking and visiting agency information tables
12:45-2:15	Topic round tables
12:45-1:00	Healthy Communities in PA task force facilitator will discuss the topic issue of the table (e.g., physical activity, healthy food). They will share some existing resources and programs to address that issue that have been collected
1:00-1:45	Members will discuss how best to encourage potential partners to become active in addressing that issue, feeding off the agency discussions during the morning round table
1:45-2:15	Topic round table report out
2:15-2:30	Healthy Communities in PA call to action and next steps
