Pennsylvania Automated Vehicle Summit

Save the Date

Monday, September 11, 10 a.m. - 5 p.m.

Tuesday, September 12, 8 a.m. - 12 p.m.

Ramada Conference Center
1450 S. Atherton St., State College, PA

As highly automated vehicles (HAVs) grow in public awareness, automated vehicle technology offers the promise of a mobility revolution. Please join us in a public discussion on critical issues facing community and regional infrastructure planning and workforce development as we explore the future of HAVs.

Presentations by thought leaders, academic and industry experts, public officials, and planners anticipating challenges in implementing HAV technology.

Demonstrations at Penn State's Thomas D. Larson Test Track to show HAV technology as it exists today.

Registration Information to follow, attendance will be limited. If interested, type "interested" in subject line and e-mail to RA-PDHAVSUMMIT@pa.gov
