

Planner Position Available

Tri-County Regional Planning Commission (TCRPC) is seeking qualified candidates for a community and transportation planner. The Commission provides regional and county planning support for a diverse area of about 590,000 people and is the lead planning staff for the Harrisburg Metropolitan Planning Organization (MPO), which facilitates the implementation of a \$260 million, 4-year transportation improvement program.

The candidate will collect, compile and analyze transportation, socio-economic, environmental and other types of data for use in preparing technical studies and reports. The primary responsibility will be to provide GIS and analytical support for the various planning programs of the Commission including, but not limited to: transportation, regional, community, and environmental planning. Subdivision/land development, zoning, sewer module, and other local plan reviews can be expected as part of the job. Attendance at evening meetings to support the local planning assistance program will be required and the successful candidate will be expected to provide personal transportation to these meetings, mileage for which will be reimbursed as provided under the IRS code.

The ideal candidate will have at least three years of experience in a range of planning issues and hold a degree in planning, or a planning-related field. This individual will have a strong background in geographic information systems (GIS), data analysis, and in the application of data to support planning processes. Experience with scripting languages and databases is strongly preferred, but is not required. Strong written/oral communication skills, familiarity with planning concepts and trends, and computer proficiency are expected. Previous experience working with the PA Municipalities Planning Code (MPC) and MPO regulations is a plus.

Applicants will be evaluated on the basis of education, experience, communication skills, and computer proficiency. Salary is commensurate with qualifications, with the starting salary negotiable based on experience and the qualifications noted above.

TCRPC offers an excellent benefit package including medical, dental, vision and employee life insurance coverage. New employees are afforded 10 paid holidays, 10 sick days annually, as well as four days of paid time off and 10 days of vacation. Additional leave is given based on evening meeting hours. The Commission also offers a defined contribution pension plan after six (6) months of employment.

Please submit a resume with cover letter by **December 30, 2022** to sdeck@tcrpc-pa.org, or:

Steven B. Deck, AICP
Executive Director
Tri-County Regional Planning Commission
