“We hope to be, or become
a single campus with interlocking
parts -- a Uni-versity.”

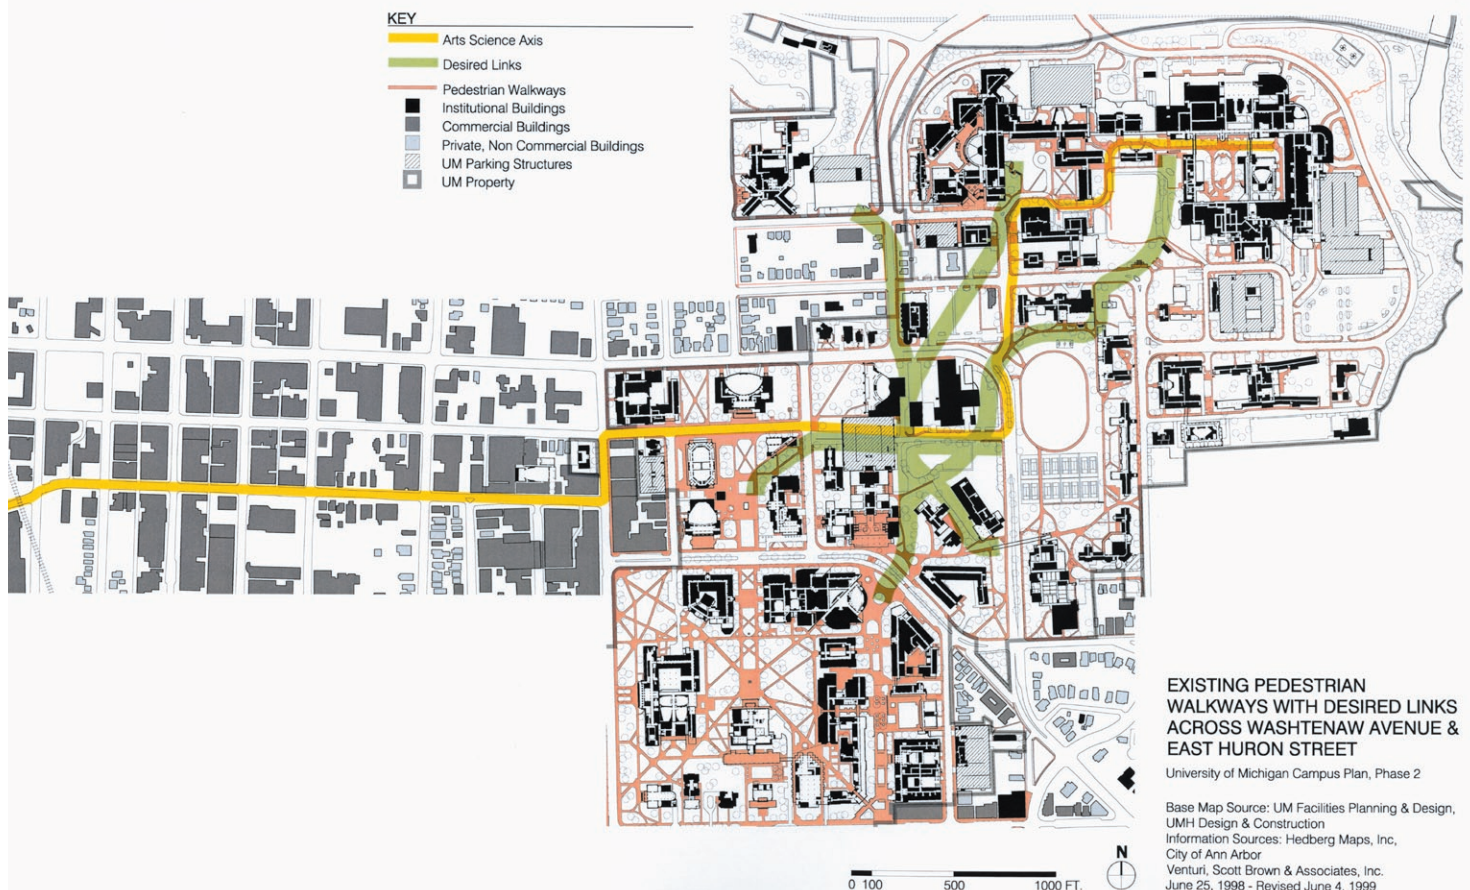

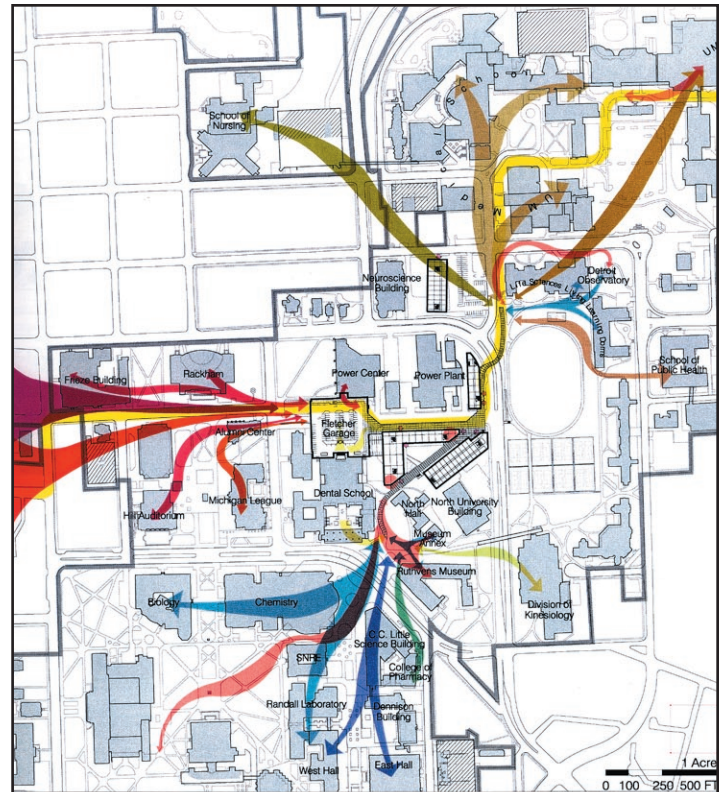

- Campus Plan Advisory Committee,
at the end of the Phase I Overview

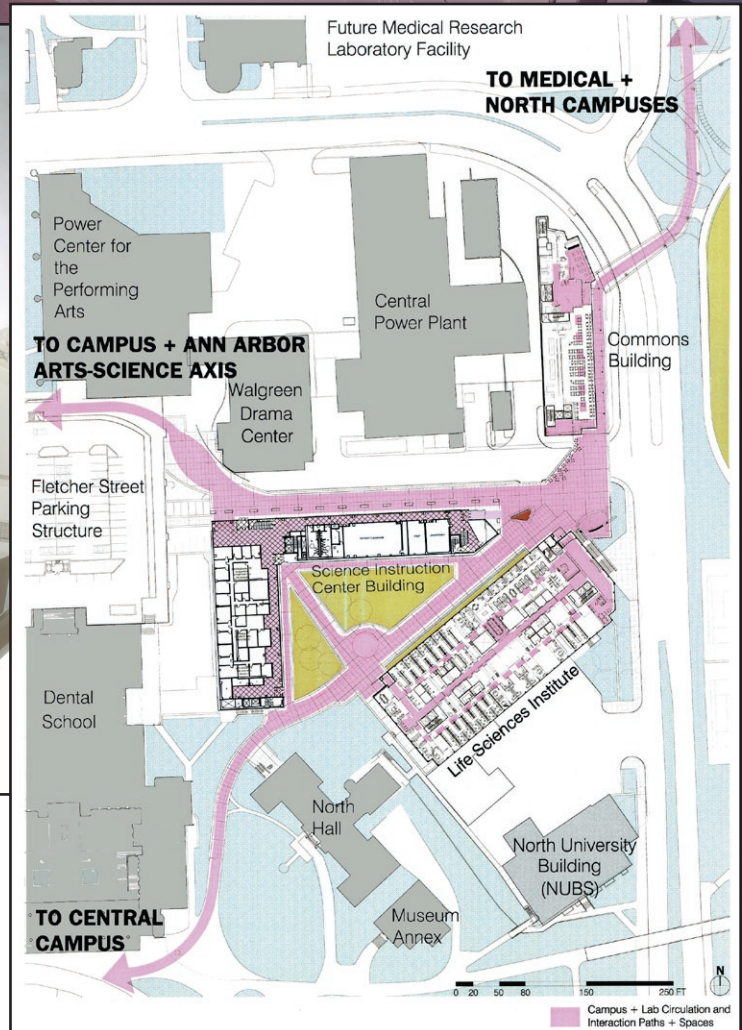

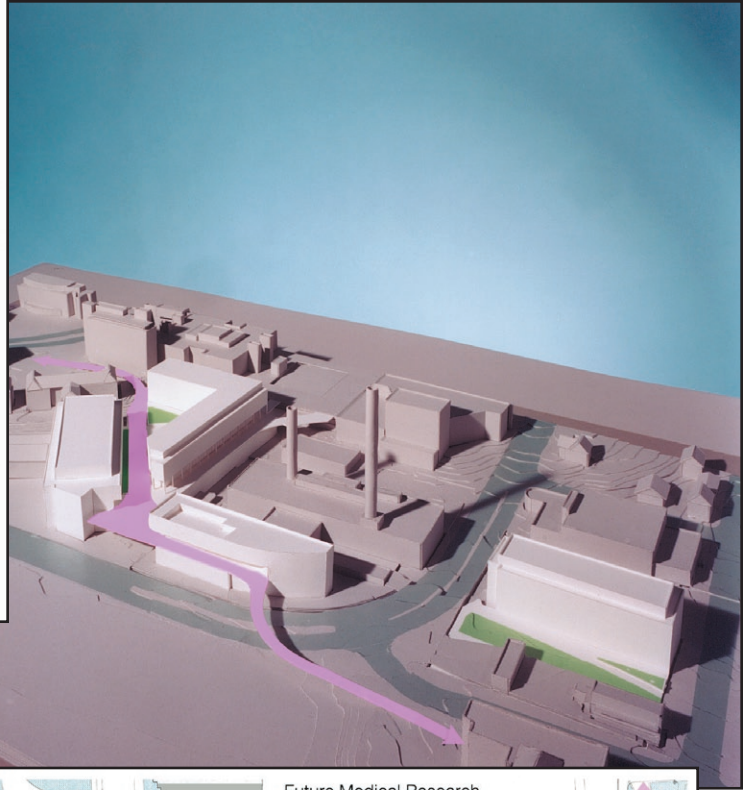

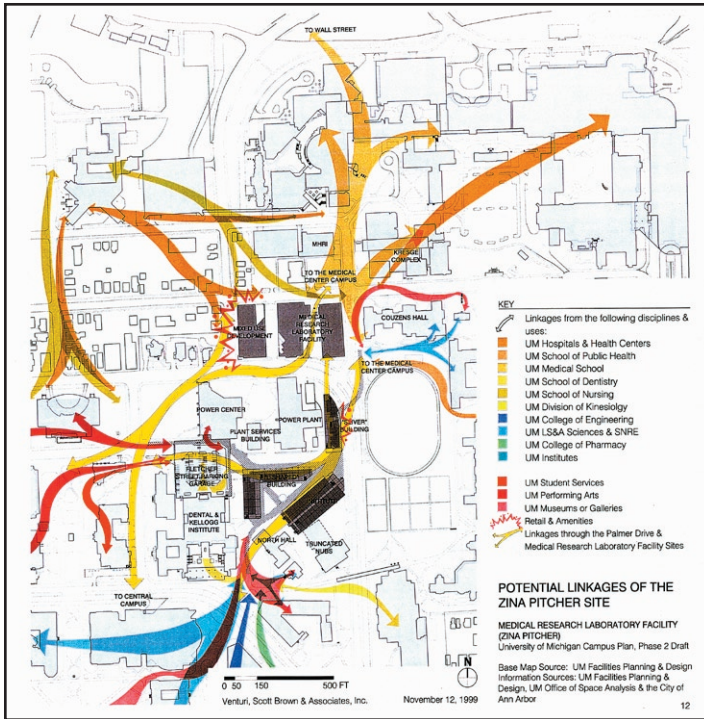

PALMER DRIVE SITE DEVELOPMENT

in association with SmithGroup and Desman Associates

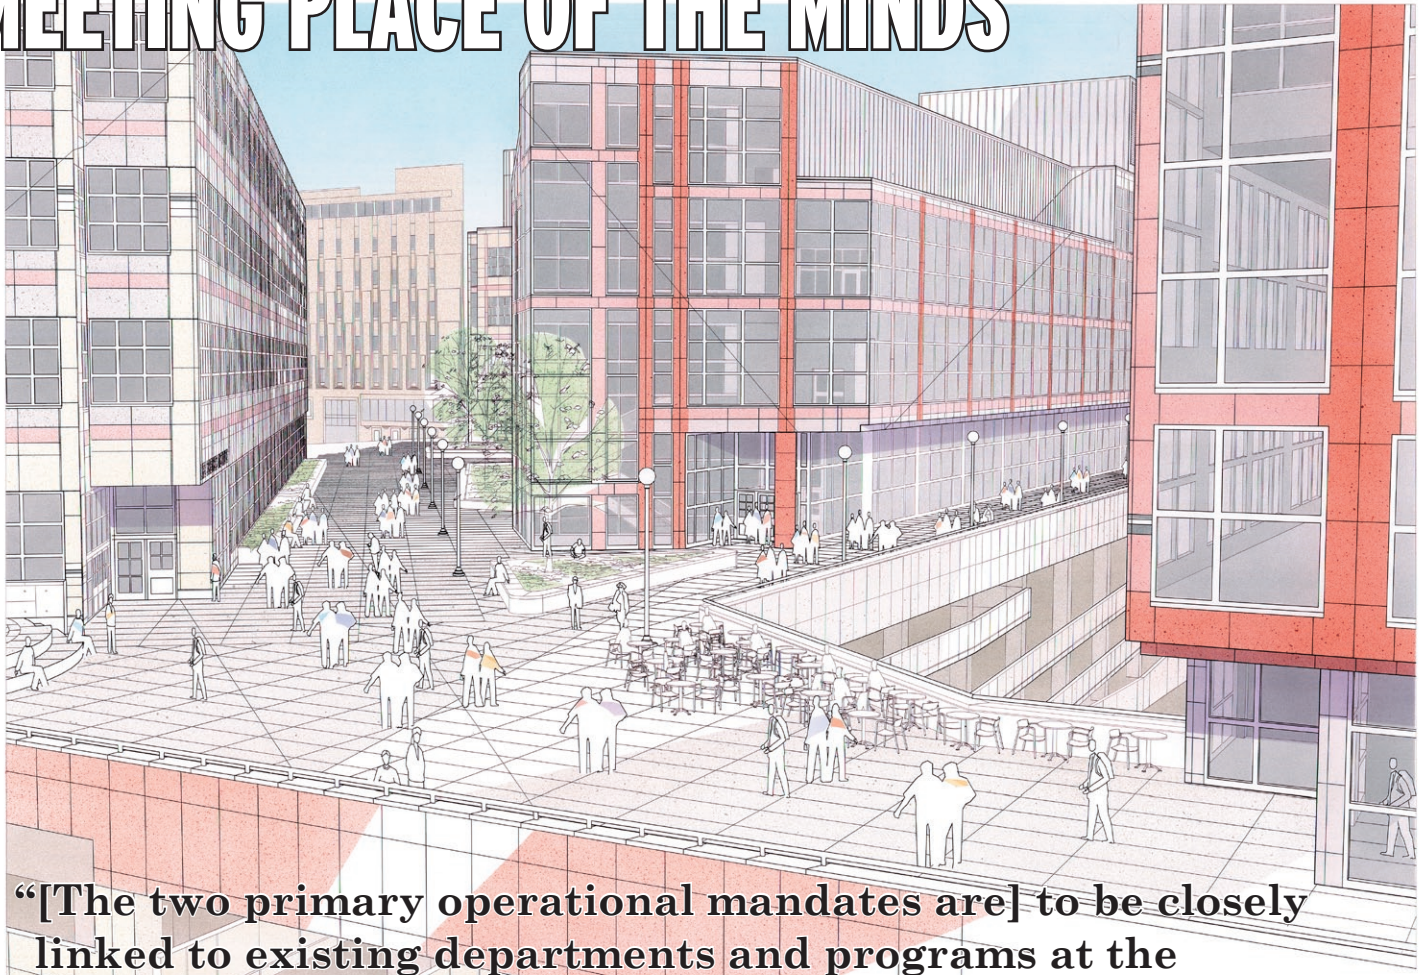

“...the Institute will play a unifying as well as a catalytic role for the life sciences across the University... it would not be a research institute pure and simple, but part of the intellectual and educational fabric of the University.”

- President Lee Bollinger

MEETING PLACE OF THE MINDS

“[The two primary operational mandates are] to be closely linked to existing departments and programs at the University, ranging from the sciences to the social sciences, humanities and arts... [and] to build links to the world outside the University” - from the Life Sciences Initiative
