STRATEGICALLY FOCUSED

2011 – 2014 Pennsylvania Planning Association Chapter Development Plan

OUR MISSION

The Pennsylvania Chapter of the American Planning Association provides leadership in the development of vital communities by advocating excellence in community planning through education, empowerment, partnership, and public policy.

OUR VISION

Planning Matters

Planning is an essential function in creating successful communities throughout the Commonwealth of Pennsylvania. The PA Chapter of APA, with its diverse and engaged membership, positively influences the provision of planning resources and the practice of planning at all levels of the public and private sectors.

OUR VALUES

The PA Chapter of APA believes:

- Planning is a critical function of government, citizens, and the private sector;
- Planning brings forth the best ideas by balancing varied interests and resources;
- Planning is objective and open-minded;
- Planning is comprehensive, inclusive, and empowering; and
- Planning values the diversity of Pennsylvania's communities, cultures, and places.

Priorities for 2011-2014 are:

- 1. Promote a "Culture of Planning" throughout the Commonwealth.
- 2. Advocate for the provision of resources for planning and plan implementation at all levels of government.
- 3. Enhance the Chapter's organizational and programmatic capacity.
