

Public Health 3.0: *Moving Health Forward*

Save the Date!

Where: Thomas Jefferson University
Philadelphia, PA

When: Wednesday, September 20, 2017
9:00 AM to 3:00 PM

Despite public health's increasing focus on how environments impact health, our ZIP codes remain a more accurate determinant of health than our genetic codes. Join the **Pennsylvania Department of Health** for a conversation about how we can work together to create conditions that allow all members of our communities to live healthy lives.

For questions contact: **Stephanie Rovito, Director of Population Health** at srovito@pa.gov
