

2nd Annual SUMMIT FOR SMART GROWTH AND SUSTAINABLE COMMUNITIES

‘Moving from Ideas to Action’

Friday, December 5, 2014

8:00am-2:45pm

Hotel Bethlehem 437 Main Street Bethlehem PA

Join us in a discussion with community leaders and those who want to be part of the process in finding new solutions to tough regional challenges:

- How can we preserve open space while supporting job creation and economic development?
- How can we prevent increasing suburban sprawl as an unintended consequence of regionalizing our water?
- How can we strengthen our cities without over-burdening our suburbs?
- How can we break out of the divisiveness that pervades our discourse and prepare for future growth that benefits all Lehigh Valley residents?
