THE BASICS OF CHAPTER 105 WATERWAYS AND WETLANDS PERMITTING

This presentation will provide an overview of Chapter 105 Waterways and Wetlands permitting in PA. In addition to the basics, the talk will also cover the newly implemented fee schedule and associated fee calculation worksheet that became effective on February 16, 2013 and the revised joint permit application and general permit registration forms that are required for use as of March 18, 2013.

Presented by: Keri D. Cimarolli, Environmental Biologist/Project Manager
The Gateway Engineers, Inc.

WHEN: Wednesday, April 17, 2013 **12:00 – 1:30**

WHERE: Scoglio Restaurant - Greentree
Foster Plaza Building 7
661 Andersen Drive, Pittsburgh, PA 15220
(412) 921-1062

COST: **\$20** – Buffet lunch includes Scoglio's salad, chicken or pasta entrée, and soft drink/coffee
(cash/check payable at door)

Please RSVP attendance by Friday, April 12th to Mark at mmaquire@cecinc.com
